The Builders Club is currently \$9.99 a month; however, it used to be \$6.25 a month until 2021, when it was increased to its current price. If we all work together we can get Roblox updated with these new games instead of waiting till now where there are a lot of glitches.

I don't think that I will ever return to Roblox, but I can't say I won't miss it. It's the type of game that I can play and enjoy when I feel like doing so. But as much as I want to keep playing, there have been a lot of games that have come out in the past years which are a lot more interesting than Roblox, such as Minecraft and even Runescape!

On August 4th 2021, it was revealed that many well known ROBLOX users made fake accounts in order to copy their friends' progress. These fake accounts had the same username and picture as the original account owner but had no friends. Once these fake accounts gained a good

amount of currency, they would join a game then buy the maximum amount of slots possible. The real account owner would notice that their account was missing and look at the fake profile's profile. While there were no friends, there were tons of transactions for items such as a \$100-\$150 purchase for 2021 robux. This could have been used to raise their reputation and potentially, make them more money.

One of the most important things you need to know is that there is no way to get free robux in the game. While users can try to create a game where they can earn some free robux, this is usually not a popular option. Instead, gamers are more interested in using other methods that allow them to get free robux on their accounts without having to pay any fees. For example, you could ask your friends for a small amount of robux that they have already obtained from playing games on their profiles. They might be happy to help you out since they know you are currently working on completing a project.
