A game called "The Mad Murderer" has been criticized by Roblox users as being violent. The game allows players to kill other characters by using a knife or a gun. It was reported that German and French users discovered the game while they were in Las Vegas for a conference. In response, Roblox changed the coding of this game so that the users can only use the knife when playing the game, instead of using guns as well. Players who used guns on other players would be banned from Roblox. Roblox stated that they were "going to continue to refine the game".

Rated 5 out of 5 by Anonymous from My favorite game I love roblox. It is fun and it can help with school work. It's a bit pricey but worth it. Rated 5 out of 5 by Anonymous from love this game i love this game! it's really good for my age group, except the fact that you have to pay 30\$ or so to get wings which aren't even that good to begin with! they don't even fly that great, plus they only last for about 3 minutes anyway... other than that it's a great game!

On May 8, 2021, Builder's Club was released for mobile devices. Users can build games on their mobile device and upload them to the catalog. Users can now play on their devices and make money by selling their games. This was the first time a platform has allowed mobile users to make money from their creations. Also in this year, ROBLOX announced that they were giving all accounts \$1 million of Robux for free (for a limited time).

For example, Jailbreak offers a premium feature which allows players to purchase more life points. As the game is free, there is no way for them to gain XP in the traditional sense. Instead of implementing XP via cash or coin drop-rates (as would be done in a game that relies on premium features), they offer more life points as a way to make it easier for players if they choose to purchase them. Free games also don't have an option of offering premium features that modify their economies or XP systems. Therefore, they usually offer only the default system as an option for non-Premium members.

Roblox Suggestions (Steam Community) - This is a helpful site where you can submit suggestions to the Roblox administrators. If there's anything you'd like to see changed or updated, this is where you should post your suggestion. People are constantly submitting suggestions on this page and it can be easy to miss. You'll also receive notifications if anyone liked or commented on your suggestion, so it's easy to know if people were interested in what you posted.

Here is where things get a little confusing but stick with me for a second and I'll link things together for you. When you get Robux gems and tokens from winning games, there is no value in the items you receive. There is no way to spend those items on anything in this game because they don't have any value. You can't sell them, you can't trade them for anything, they don't have in game money attached to them, etcetera.

On December 15th, 2021, ROBLOX announced the end of the open beta for their new trading system. The company removed the ability to trade in-game currency among users and limited users' ability to purchase system currency from outside sources while adding even more security features by requiring cards or other forms of identification before buying virtual currency. The reason for the change was to prevent users from spending too much virtual currency on outside purchases of no value to the user. The system was a success, reducing the rate of fraud.[25]

Rated 5 out of 5 by Anonymous from Super fun, but gets expensive Really fun game, and very realistic in-game items. However after a while, it can get pretty expensive. It is currently \$8.99 USD to purchase an additional character slot. Definitely worth it at first, but you will eventually outgrow the game if you don't have the money.

There are also other options to get free robux. Some players have found ways to get free robux without having an account and without downloading ROBLOX Studio (which is the free version of ROBLOX) by using a different method or by using a fake card:

Roblox has been criticized by parents and others for its age-inappropriate nature, and for encouraging bullying. Some players have reported being bullied while in the game, due to language or other factors. Many of these players have been reported to take their complaints to Roblox's customer service team, only to be ignored or told that it was the victim's fault. It is also reported that the staff are biased towards certain users due to friendship rather than any sort of immorality on their parts.
